OCTOBER 2023

LAWLEY PRIMARY SCHOOL PLANTING THE SEEDS, GROWING THE FUTURE

Dear Parents and Carers,

I was pleased to be able to share with you a copy of our OFSTED report a few weeks ago, following our Inspection in September 2023. and to see all the lovely things we do celebrated in print. A huge well done to the whole school community especially the children who articulated their views of the school so well.

The inspector reported our children enjoy attending Lawley Primary School. They feel safe, and they become assured, articulate young people. Children have every confidence that there are always adults to talk to and that staff deal with any bullying straight away. This is so good to hear.

Whilst we were judged a solid good in all areas, the report highlights two areas for us to focus upon and I am happy to say we have started work on these already.

It is a great privilege for me to be headteacher of Lawley Primary School, a school of which I am immensely proud.

At Lawley, we are very proud of our pupils, our staff and to be a part of our local community. We are a large primary school of 423 pupils and I feel incredibly privileged to spend my days with a diverse mixture of children and adults, all wonderful and unique. At Lawley, we are committed to ensuring we are a place where together we plant the seeds and grow the future.

I would like to signpost you to our school website: <u>http://</u><u>lawleyprimary.co.uk</u> Here our school vision is set out and this is at the heart of our approach and is a good starting point for exploring the website.

We hope you find everything you need on our website. However, no website, however well written and populated, can give a true picture of a working school. We are always delighted to answer any questions about the school that you may have.

Have a wonderful half term,

Carol Mcquiggin

School Trips and Visits

We are very keen to be able to offer a lot of varied experiences, in the form of visits and residentials, to our children. We appreciate that due to the current economic climate we must be mindful of how many trips we offer. Each trip asks for a voluntary contribution, however we may need to start cancelling visits if we do not get sufficient contributions. At the moment any shortfall in income has to be covered by school funds which is no longer sustainable.

In Year 4, we are really excited to welcome Dan the Ancient Egyptian expert in to school to start our Egyptian topic for next half term. We can't wait to show him our own Ancient Egyptian costumes!

mary (4-11) and Early Years (3-7) PGCE Lead School Partner Route initial teacher training, with their partner, the University of Chester. Now recruiting for September 2024, if successful in gaining a place trainees can look forward to a training year which will include two contrasting placements in Telford schools in two different key stages, and curriculum and academic training sessions with their whole cohort delivered in Telford by trainers who are not only experts in their particular field but familiar with Telford & Wrekin schools. Many STSA Associate Teachers secured permanent employment within Telford schools following successful completion of the course last year.
